

The Jerusalem Schoolhouse ***Needs You!***

The Jerusalem Schoolhouse, built in 1874, is a vital part of our rural community, but it is falling into disrepair.

Please help us protect your schoolhouse.

By contributing your time and/or money, your donation will help to...

- **Restore its 80-year old roof**
- **Modernize its 65-year old wiring**
- **Replace its 45-year old heating system**
- **Upgrade its septic system to code**
- **Create wheelchair accessibility at the entrance & bathroom**
- **Increase interior comfort and energy-efficiency for year-round use**

For more information, please contact Friends of the Jerusalem Schoolhouse, 802.453.4573
